Integrated workplace health and wellness solutions enhancing your business financial wellness

Legal compliance is key

OCSA assists employers to comply with the Occupational Health and Safety Act, No 85 of 1993 as amended.

Legislations such as the Construction Regulations, 2014, and the Mine Health and Safety Act, No 29 of 1996, have placed the responsibility on employers to provide appropriate occupational health services to their employees.

Occupational hygiene & environmental solutions

OCSA is certified by the Department of Labour as an Approved Inspection Authority (AIA) of occupational hygiene.

Services include

- Occupational hygiene surveys
- Environmental surveys
- Laboratory services
- Asbestos analysis
